

12th March 2010

Miss Worcester Race Day at Worcester Racecourse

Worcester Racecourse is off to a thrilling start with their first fixture of the season on Sunday 9th May, which combines the Miss Worcester final, an exciting programme of jump racing, family fun entertainment and a chance to support Worcester Breast Care Unit.

The Miss Worcester contest is currently encouraging young ladies aged 17 – 24 to enter via the Worcester News. Entries close on 26th March 2010. The final 10 will be judged at Worcester Racecourse on 9th May in between races, with the winner earning a place in the Miss England final.

And while the entrants for Miss Worcester will be dressing to impress, how about undressing to impress by donating those old bras for a great cause? 2nd Skin Lingerie, run by Karen Tomalin, is aiming to beat a World Record attempt of having 200,000 bras in a chain at Worcester Racecourse later in the year, but first, they need to collect this number. There will be a collection bin at the racecourse on 9th May for all bra donations in aid of the Worcester Breast Care Unit.

Karen Tomalin, Director of 2nd Skin Lingerie said: “We are so pleased to be attending Family Fun Day as this will increase the public awareness significantly and boost the bra numbers too. What started out as a little fund raising fun for our local breast unit has now become a national project with people as far as Edinburgh collecting bras for our campaign! It will be a real achievement bringing the Guinness World Record to not only the UK, but Worcestershire”.

The family fun entertainment includes a bouncy castle, face painting and a Petwise Zoo, giving the children a glimpse of unusual animals, including the ever popular meerkats.

Tickets start from £7.00 in the Centre Course enclosure, up to a restaurant dining package including entrance, racecard, parking and a three course lunch for £52.00. Accompanied children under 16 are admitted free to the enclosures.

Gates open at 12.30 p.m. and the first race is due off at 2.20 p.m.
