

Press Release

Model Transport Weekend at Avoncroft

For Immediate Release

Avoncroft is honoured to host an exciting exhibition of model planes, trains, boats and engines on Saturday 19 & Sunday 20 September.

The exhibition has been put together by Bromsgrove Society of Model Engineers and they have brought together groups from all over the county.

Visitors will be able to admire model carts, omnibuses and agricultural machinery which have been beautifully crafted by the Guild of Model Wheelwrights. Warley Model Railway Club will be presenting a fantastic railway system alongside Bromsgrove Society of Model Engineer who will be giving rides on the model railway and demonstrating both electric and steam locomotives.

In the air South Birmingham Aeroplane club will be demonstrating their model aircraft and in a specially constructed pond the Droitwich Spa Model Boat Club will be showing their skills will model boats.

During the afternoon model traction engines will drive round the perimeter of the Museums Guesten Hall and all societies taking part will be happy to chat to all the interested visitors.

The exhibition will run from 11am – 4pm, the standard Museum admission rate applies.
