The Swan Theatre, Worcester is preparing for an evening of breathtaking singing and the wonderful atmosphere of the West End theatre in an award- winning show, **Musicals in Motion** on **Saturday, 18<sup>th</sup> July at 7:30pm.**

**“The changing face of Showbiz” Nic Owen - BBC Midlands Today**

**Musicals in Motion** combines live West End stars with state of the art technology for a unique theatrical experience. This show is nothing short of spectacular, with authentic costumes, beautiful voices, plus Computer Generated Imagery set designs and interactive choreography; something never before seen on the world stage.

Stars of the show, **Jem Brent** and **Rachel Slater**, are established West End and European musical stars and have performed leading roles in many shows, including **Starlight Express, Singing in the Rain, Evita, Rent, 42<sup>nd</sup> Street** and **Saturday Night Fever.**

There is another star to the show...a 24 sq metre rear-projection screen presenting a pre-recorded, ‘virtual’ cast of over 70 people including a full dance ensemble, a children’s choir, an award- winning male voice choir plus a few *special* guests! With clever lighting and perfect timing, the live performers interact seamlessly with their huge supporting cast breaking down the barrier between what is “live” and what is “virtual”, with astounding effect.

**“Musicals in Motion is an amazing and unique production which has you dancing and singing in your seat. A truly magical experience” Tracie Jones - Scene Magazine**
