

Worcestershire businesses nominated for tourism awards

Nine Worcestershire tourism businesses have been recognised for their excellent services after making it through to the prestigious Heart of England Excellence in Tourism Awards.

The businesses have been nominated in a range of categories, including Outstanding Customer Care, Access For All and Sustainable Tourism and will go through to the Regional Tourism for Excellence Awards which are to be held on Thursday, October 29.

The awards have been organised by Tourism West Midlands, which is the regional partner of Destination Worcestershire, which aims to promote tourism throughout the County. The winners of the Heart of England categories go through to the National Tourism Awards later in the year?

The competition highlights tourism businesses offering a great experience, allowing residents to enjoy the great places to visit and stay.

Rod Nipper, Destination Worcestershire Manager said: "We are delighted to see so many Worcestershire businesses shortlisted for the Awards, demonstrating the high standards being achieved by our local tourism industry."
